

# William Kategianes Jr

**Software Engineer | Collaboration | Technology**

Long Beach, CA | 562-380-5160 | [wkategianes@gmail.com](mailto:wkategianes@gmail.com) | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Software engineer with hands-on experience designing and building web applications. Proven track record collaborating with cross-functional teams to deliver high-quality products and enhance customer satisfaction.

Passionate about crafting innovative and efficient solutions that optimize user experiences.

## Skills

HTML5, CSS3, ReactJS, Javascript, Python, Node.js, Express, MongoDB, Mongoose, SQL, Django, Git OAuth2.0, CRUD, RESTful Routing, API, AWS, Slack, Zoom, Heroku, and Trello.

## Experience

### **Software Engineer – Hack for LA**

- Collaborated with a team of engineers who worked on the website to address issues such as bugs in the code, add/remove features and to ensure a great user experience
- Worked on tickets submitted by the quality assurance department that improved the quality of the website

### **Software Developer Apprentice - General Assembly**

- Worked diligently through an intensive curriculum that encompassed software engineering fundamentals and specialized units including front-end development, full-stack development, and front-end frameworks and APIs, demonstrating exceptional dedication and proficiency
- Showcased a passion for continuous learning and innovation during my tenure, actively engaging in coursework that delved into a variety of technologies, affirming my commitment to staying at the forefront of the software engineering field

### **PC Field Technician - Kablelink Communications LLC**

- Adhered to job specifications, company standards, policies, and codes while working seamlessly within a dynamic team of technicians
- Executed equipment installations at both commercial and residential customer sites, ensuring the successful completion of each project

### **Bachelors of Science in Technology Development and Management | 2022**

**St. Petersburg College | GPA 3.49 | President's Honor Roll Recipient**

### **Associate of Science in Computer Programming and Analysis | 2020**

**St. Petersburg College | GPA 3.47 | President's Honor Roll Recipient**
